

The Last Viking

With the death of Edward the Confessor, the crown of England is hanging in the balance. And in the north Harald Hadrada, the Norwegian Viking leader, is determined to take his chance of capturing the country. But Harold will not let that happen without a fight. Charismatic and the leader of a mighty army, he is determined to make Hadrada the last Viking in England. And so the bloodiest battle yet fought on English soil is about to begin. At stake is sovereignty, freedom and honour.
