

## Life of a Double Agent

During Jim Hunts junior year in college, the CIA recruited him to monitor radical activities on campus. After graduation from college, he joined the U.S. Army and was recruited by the Chinese Intelligence Agency, with the knowledge and support of the CIA. After serving in Vietnam, he joined The Dow Chemical Company and later worked for Renewable Power Company, but throughout his business career he continued his work for the CIA and Chinese Ministry of State Security. After retiring from all the organizations, he joined the Peace Corps, and was assigned to Krasnoyarsk, Russia. The CIA pulled him back in for one more mission.
