Get two stories for the price of one and enjoy these two steamy dragon shifter novellas from midnight moon publishing!

A STEAMY ROMANCE COLLECTION IS INCLUDED INSIDE FOR A LIMITED TIME! Knocked Up by a White Dragon

April Mowery has always considered herself to be progressive, but her understanding of the world is going to change dramatically. She likes to take these paths in the middle of nowhere. These are paths that are rarely taken and off the maps of those that are not exactly adventurous when it comes to hiking. She knows that shes taking a risk by going off the beaten path in Canada in the Rocky Mountains. She knows that there is no cell service and if she gets hurt that theres no possibility of rescue. She takes precautions, but she doesnt take into consideration the flying thing that comes out of nowhere and scares her out of her mind. She meets up with Avery, a white man that is living in absolute obscurity in a cabin. She doesnt understand why, but she soon finds out that hes hiding a secret that is worth killing for. Can she give him a reason to go on, or is his fate sealed with that of a kiss?

Taming my Alpha Dragon After her family is killed by a demon Alissa is forced to live with her Aunt but on her 13th birthday she is given her mothers journal and learns what it really is to be a demon hunter. She spends most of her time hunting the demon who killed her family and when she finally has a strong lead on where the demon is located she enlists the help of an Alpha Dragon Shape shifter named Niq. She and Niq have a history and it is not the kind that would make them friends but she knows that she needs help from a creature with his power. Alissa will have to use all of her seductive powers to ensure her own safety while she is with Niq but has no idea that Niq will be the one who teaches her a lesson. Read now and receive a free gift at the end of the book!
