

## The Messenger: The Meanings of the Life of Muhammad

The life of the Prophet Muhammad, to whom the Angel Gabriel revealed the verses of the Quran, has provided inspiration to Muslims for hundreds of years. In *The Messenger*, leading Muslim scholar Tariq Ramadan considers the ways in which the Prophet's actions, words and teachings can guide us in the modern world. Interspersed with spiritual and philosophical meditations, this profound and stimulating biography shows how Muhammad's message can be used to address some of today's most controversial issues - from the treatment of the poor and the role of women to the interpretation of jihad and relations with other religions. It offers Muslims a new understanding of Muhammad's life and introduces non-Muslims to the story of the Prophet and to the riches of Islam.
