

From a Killers Mind

Fans of Thomas Harris *The Silence of the Lambs* and Shane Stevens *By Reason of Insanity* may find a new favorite author here.- Kirkus Reviews John has been a successful serial killer for his entire adult life, committed to his craft without detection or disruption. He spent years perfecting his process and meticulously planning out each kill, honing his abilities to horrible heights; however, when one kill doesn't go as planned, his confidence is shattered, and his dark life starts down an even darker road, to either his salvation...or his ultimate downfall. John finds his private sanctum infiltrated by chaotic characters from the most unlikely of places, putting him through an existential crisis of the soul. As John loses control, his true crucible begins. *From a Killers Mind*, the debut novel of writer Jason Helford, is a mind-bending, scary, and emotionally honest trip through the life of a serial killer, laying bare the killer's soul for all readers to see. The remarkable twist at the core of this novel is something that will leave you open-mouthed, shocked, and completely hooked, until the very last page.
