

The Red Hot Chili Peppers: An Oral/Visual History

This is the book fans have been waiting for since Mothers Milk and Blood Sugar Sex Magik first hit the charts: The first (and only!) official Red Hot Chili Peppers story an oral and visual autobiography from one of the worlds greatest rock groups. Together, Anthony Kiedis, John Frusciante, Flea, and Chad Smith tell the 61-million-album selling bands rollercoaster story, with anecdotes of their concert tours and creative collaborations, memories of surprise successes and dark battles with drug addiction, revelations about their personalities and feelings, and admissions about their lives outside the band. With hundreds of photographs, poster images, ticket stubs, and other RHCP memorabilia, this is a must-have for any die-hard fan.
