

The Shape of Water (Inspector Montalbano Mystery series, Book 1) (Inspector Montalbano Mysteries)

[MP3CD audiobook format in Vinyl case.]
[Read by Grover Gardner] Andrea Camilleris novels starring Inspector Montalbano have become an international sensation in eight different languages. This funny and fast-paced Sicilian page-turner will be a delicious discovery for mystery aficionados and fiction lovers alike. Early one morning, Silvio Lupanello, a big shot in the village of Vigata, is found dead in his car with his pants around his knees. The car happens to be parked in a rough part of town frequented by prostitutes and drug dealers, and as the news of his death spreads, the rumors begin. Enter Inspector Salvo Montalbano, Vigatas most respected detective. With his characteristic mix of humor, cynicism, compassion, and love of good food, Montalbano goes into battle against the powerful and the corrupt who are determined to block his path to the real killer.
