

The Singing of the Dead

(11TH IN KATE SHUGAK SERIES) In THE SINGING OF THE DEAD, Kate Shugak hires onto the staff of a political campaign to work security for a Native woman running for state senator. The candidate has been receiving anonymous threats and Kate, who went to college with two of the staffers, is to become her shadow, watching the crowds at rallies and fund-raisers. But just as shes getting started, the campaign is rocked by the murder of their staff researcher. In order to track the killer, Kate will have to retrace the researchers steps and delve into the past, in particular the grisly murder of a good-time girl during the Klondike Gold Rush of 1915. Little can she guess the impact a ninety-year-old unsolved case could have on a modern-day killer.
