

## The Strange Case of Susanna: A horror mystery

When Clara decides to become a foster carer, she has her own doubts about her capabilities. Susanna-an eleven year old girl, who has lost her entire family to a suspicious fire, comes into her care. After a shaky start, just when Clara thinks that things are going well with Susanna- strange things start taking place. Susanna has severe mood swings and starts talking to an invisible entity. A shocking incident sends Clara into a devastating downward spiral, threatening her own existence. As Clara desperately tries to claw back from the bottomless chasm that her life has become, her only hope lies in uncovering the terrifying truth about Susanna.
