

The Toff among the Millions

The Honourable Richard Rollison (aka The Toff) is visiting Easton Hall, a pleasant and quiet country house that has been converted to a hotel. It is said to be more suited to the retired looking for rest than excitement. However, on this occasion it does not live up to its reputation. A man is found dead in the swimming pool, and a little later, The Toffs friend Teddy Merchant disappears. It is then left to him to solve what turns out to be a multi-layered mystery.
