

The Triggering Town: Lectures and Essays on Poetry and Writing

Richard Hugo was that rare phenomenon of American letters a distinguished poet who was also an inspiring teacher. The Triggering Town is Hugos now-classic collection of lectures, essays, and reflections, all directed toward helping with that silly, absurd, maddening, futile, enormously rewarding activity: writing poems. Anyone, from the beginning poet to the mature writer to the lover of literature, will benefit greatly from Hugos sayd, playful, profound insights and advice concerning the mysteries of literary creation.
