

After the Murder: Karma is a bitch (Soul fiction)

Vixen or victim? Troubled teen Cassie Harris is caught up in the brutal Halloween murder of a thirteen-year-old girl she barely knows. Years later, now wealthy and recently married, Cassie hits the headlines once more when her co-accused, the man who was convicted of the shocking Halloween murder, is released from prison. With media interest in the case still strong, Cassie's much guarded privacy is destroyed overnight and the former police detective who was always convinced of her guilt once again pursues her seeking the truth. Cassie is forced into hiding with her new husband who, she discovers, is not quite what he seems. After the Murder is a tightly-plotted new psychological thriller, part of the Soul Fiction trilogy, which will keep you guessing to the end.
