

## A Cosmiculous Conversation

A Cosmiculous Conversation is an anthology of divinely crafted poetry which reflects the passion and redemption of the poet, Dennis Milton Morgan. Dennis has unleashed a repository of poems that will captivate your heart from start to finish. His signature piece, *The Flair Of The Floating Violin*, brings to life the heroism of Wallace Hartley, a musician aboard the doomed Titanic, who played his violin to the very end to help keep the passengers calm as the crew loaded the lifeboats.
