

Gorski (Dutch Edition)

Briljant over geld, kleding, romantische liefde en decadente seks. Een jeu desprit met hart en hoofd. Eva Hoffman, auteur van *Lost in Translation* Gorski, de meest enigmatische van alle Russische oligarchen, is in Londen gaan wonen vanwege Natalja. Haar huwelijk met een Engelsman is een onhandig, maar overkomelijk detail. Want Gorski krijgt altijd het beste van alles. Voor haar laat hij een enorme villa bouwen, met in het hart een immense bibliotheek die smaak, cultuur en klasse moet uitademen. Een jongeman in een wegwijnende boekhandel krijgt daarmee van Gorski de opdracht van zijn leven en toegang tot de kringen van de superrijken. Niet zonder gevaar. Een stijlvolle, geraffineerde satire, een ode aan Londen en aan de literatuur, en een prachtig fictief tableau van de Russische elite. Met deze ode aan het Londen van nu haalt Goldsworthy de beroemdste roman van F. Scott Fitzgerald terug naar de oude wereld. *The Financial Times* Beeldend, boeiend en met een scherp oog voor detail verhaalt Goldsworthy over het moderne Londen, geïnspireerd door *The Great Gatsby*. *The Sunday Times*
