

When Will There Be Good News?: A Novel

On a hot summer day, Joanna Masons family slowly wanders home along a country lane. A moment later, Joannas life is changed forever...On a dark night thirty years later, ex-detective Jackson Brodie finds himself on a train that is both crowded and late. Lost in his thoughts, he suddenly hears a shocking sound...At the end of a long day, 16-year-old Reggie is looking forward to watching a little TV. Then a terrifying noise shatters her peaceful evening. Luckily, Reggie makes it a point to be prepared for an emergency...These three lives come together in unexpected and deeply thrilling ways in the latest novel from Kate Atkinson, the critically acclaimed author who Harlan Coben calls an absolute must-read.
